Why 50/100 · fit for Demo Electric, explained (B14)

~ **Scope match** 20/40	? **Location** 10/20	? **Wiring and equipment specs** 7.5/15
50% of the trade pages read are in your divisions (divisions found: none). 0 of 0 scope items match capabilities in your profile.	Site or office location unknown, so this is neutral.	No wiring or equipment requirements read, so this is neutral.
? **How you'd bid** 7.5/15	? **Project size (soft signal)** 5/10	
How bids are received is not stated, so this is neutral.	Unknown: no stated value, so size is neutral (your evidence: $0.25M–$5.00M (sample profile for the demo)).	

ELIGIBILITY (SEPARATE FROM THE SCORE)

- Surety / agreement to bond: required; not in your profile yet.

Scored by fixed rules (fit-v0.1 (2026-11-02, proposal; locked after the discovery calls, register row 92)). AI does not set the score. Size is a soft signal only and never hides a project.
